

Official Press release // 5 March 2020

## Rock the Pistes music festival cancelled owing to risks from Coronavirus COVID-19

We regret to announce that the 10th Rock the Pistes music festival, scheduled to take place from 15 to 21 March 2020, will no longer be going ahead.

On 28 February, the Swiss authorities banned all large events involving more than 1 000 people. New information from the Haute-Savoie Prefecture also precipitated this decision.

Of course, the **Portes du Soleil ski area in France and Switzerland remains open** – there are **no restrictions on visiting our resorts**. So, all those with a Rock the Pistes ski pass can still enjoy the snow!

We are already looking forward to welcoming music fans for **next year's festival, from 14 au 20 March 2021 – the 10th Rock the Pistes Festival!**
